

RPAC is like insurance for your business

Investing in RPAC is truly the best way for REALTORS® to protect their livelihood. RPAC provides protection for your profession, your business, and your everyday work.

How REALTORS® Political Action Committee (RPAC) protects the real estate industry

Provides us a seat at the table with legislators

- RPAC funds candidates for public office (federal, state, and local) who best represent the interests and concerns of REALTORS®.
- RPAC enables REALTOR® organizations to advocate for policies that support the real estate industry, homeownership, and property rights and fight against those that don't.

Bipartisan Support

- RPAC is the largest and most bipartisan political action committee operated on behalf of a trade association in the U.S.
- RPAC maintains a 51%-49% split among contributions to either party.
